SOMOS UNA

Multinacional conformada por 4 empresas con experiencia de 45 años en comercio exterior, logística internacional, comercialización, y distribución de productos derivados del Aluminio, Iluminación LED para proyectos industriales, viales, residenciales y comerciales y productos para el cuidado y mantenimiento de aguas recreacionales a través de Centro y Sur América. Con redes de distribución en Colombia y Ecuador con oficinas en Estados Unidos y China.

Desde nuestra oficina en China desarrollamos y manejamos nuestros proveedores y toda la logística relacionada con la operación.

Superar las expectativas de nuestros clientes con
productos industriales y servicios de óptima calidad.

NUESTRA VISIÓN

NUESTRA MISIÓN

Ser la mejor alternativa en suministro de productos
derivados del Aluminio, por Calidad, Innovación y
Condiciones Comerciales.

COBERTURA REGIONAL

Tenemos presencia en 16 países de latinoamerica y del caribe.

Colombia
Ecuador
Perú
Guatemala
Salvador
Panamá
Rep. Dominicana
Chile
Uruguay
Paraguay
Bolivia
Mexico
Nicaragua
Honduras
Costa Rica
Jamaica

NUESTRO PROPOSITO

- Compromisos claros, precisos y documentados nos permiten superar las expectativas de nuestros clientes.
- De manera incansable trabajamos en la optimización de costos y encontrar eficiencias que beneficien la alianza que establecemos con nuestros clientes.
- Información permanente y oportuna para la toma de decisiones.
- Trabajamos para ser la mejor opción. Valores agregados, cumplimiento, optimización de costos e innovación de productos.
- Contribuimos con el crecimiento de la comunidad con productos confiables y de altos estándares de calidad.

LOW CARBON

LOUVERS Y CONTROL SOLAR

ARQUITECTONICO

Los Louvers son un conjunto de elementos arquitectónicos fijos o ajustables y verticales u horizontales diseñados para restringir o permitir el flujo de aire, agua o sonido en una edificación, brindando a la industria de construcción un valor estético y de protección para sus obras.

Andesia desea proporcionar a los arquitectos, clientes por proyectos y distribuidores de nuestra marca, herramientas de diseño que permita expandir su innovación y brindar múltiples beneficios a sus proyectos.
